Doing all the good we can through faith, love and excellence

- Class 1 have worked really hard this week in English and have written some fantastic descriptions of dragons. Well done!
- Class 1 have enjoyed their first session out in forest school. They have demonstrated resilience, having brilliant imaginations, teamwork, climbing skills and great listening skills. This week the children opened a restaurant using the mud kitchen and helped begin the digging of the vegetable patch whilst looking for minibests too.
- On Tuesday, a team of eight children from year 5 and 6 took part in a district dodgeball tournament at Canterbury Academy. It was the first time that any of them had represented St Peter's in a sports competition before, and although they were all a little nervous to begin with, they quickly got into the swing of things. They won several of their games and finished a very commendable 10th out of 16 schools. Well done!

Early Arrival Club

As it is not safe for the children to be waiting for the school gates to open in the mornings without adult supervision we would like Breakfast Club to offer Early Arrival sessions for children to attend each morning. This is to allow for children to be dropped off at school as early as 8:20 and it will run until the school gates open. Please see the separate letter sent today for further information.

In our collective worship this week we have been thinking about Methodist Traditions: For All, For All and has been led by Mrs Dyer and Reverend Tim. Key Stage worship was led by Mrs Beard and Miss Mills. Celebration was led by Mrs Whiting.

'Air Quality' poster school competition winning design!

Representatives of our school council judged Millie McCord to be the winner of Canterbury City Councils design an 'Air Quality' poster for our school competition.

The Environmental Health Officer delivered the banner to school this week and it will be in pride of place outside school very soon.

Well done Millie!
