

Welcome back!

I hope you all had an enjoyable Christmas and new year. I would like to pass on thanks from all the staff in Rainbows for the lovely Christmas cards and gifts we received, it was really very kind of you.

I have recently been updating the class page on our website with some useful links and information. Please do have a look.

This is how we teach the children to form their letters ready to join up...

- Recommended reads for Reception
- How to say the sounds
- Phonics apps and websites for parents

Don't forget to continue to add things to Tapestry. We enjoy seeing the things they have got up to at home and hearing about family trips and special occasions. It also adds to the learning journey we build for each child and helps the staff build an overall picture of each child.
