

St Peter's News

28th September 2018

Doing all the good that we can through faith, love and excellence

- Year 6 have been on their residential trip this week and the reports we have had are that they are having a great time. The weather has certainly been lucky for them. Join us next Thursday at 9.15am in the church to hear some of their favourite moments.
- Our harvest festival service took place on Thursday and a big thank you to everyone who donated goods to the food bank and joined us in the church.
- Clubs are starting on Monday
- Well done to our new Rainbow Class who have just finished their first full week in school.

As the temperatures have dropped a little this week please can we remind you all to ensure that all coats, scarves, hats and gloves are clearly named so that the children can leave school with exactly what they arrived with!

19th End of term 1

20th Yr 4 Canterbury Festival parade

29th Start of term 2

As well as our Harvest festival, collective worship this week has been led by Revd Tim, Mrs Wilson and Mr Way.

At the beginning of each collective worship we say our school prayer which really reflects what it means to be part of our school.

This is our school, let peace dwell here, let our rooms be full of contentment, let love abide here. Love of one another, love of life itself, and love of God, and let us remember, that as many hands build a house, so many hearts make a school. Amen

We have been advised that Cornerstone Telecommunications Infrastructure Ltd (CTIL) are seeking to upgrade a radio signal antenna in Station Road. They have asked us to inform our parents so that you have an opportunity to raise any concerns before the proposal is finalised. If you would like to know more the school office is holding further information which you are welcome to come and look at.

We are delighted to share some exciting news with you all. Both Mrs Clark-Murphy and Mrs Walters are pregnant and expecting their babies in the new year. We are currently in the process of bringing in a new teacher into year 2 and organising somebody to work alongside Mrs Pickles in year 5 from January. The staff and systems we have in place will ensure that the children's education will not be adversely affected. Both teachers are planning on returning to us at some point in the next academic year.
